\$5,500 IS RAISED  
HERE FOR IRELANDJanesville Ranks Fourth in  
State in Sale of Bonds—  
Campaign Ends.

People of Janesville have subscribed the fourth largest amount of any city in Wisconsin to the Irish bond drive which closed Sunday with subscriptions amounting to \$5,500. This amount was reported at the meeting of the workers at the Knights of Columbus hall Sunday morning.

The only cities having larger quotas in the state than Janesville were Milwaukee, Madison and Oshkosh. This is largely due to the large Irish population in these cities. The total population of the state is 1,100,000. Beloit raised \$5,000.

Patrick Slain, night policeman, has the largest amount of subscriptions to his credit with \$1,100. Others who made good records are Joseph Connors, John Flannery, John Hagen, John Griffin, James O'Rourke, Joseph Denning, Frank Croak, W. H. Dougherty, Archie Kenting, L. J. Cronin, John Hagen, William Flock, and John Casey. A large sum of money was contributed for the success of the campaign in Janesville is due to James Sheridan, the chairman.

SEBASTOPOL FALLS  
TO SOVIET FORCES

(Continued from page 1.)  
organization has left the Crimea. The majority of the refugees have been dependent upon the American relief workers for their sustenance, and hope was expressed that means would be found by which that organization would continue its work.

Still Hope in Wrangel  
French officials were said to concede that General Wrangel would cease to be a factor in the Russian situation, and they voiced the hope that he might reorganize the remnants of his army in Constantinople. Because of the Crimean developments and the junction effected recently by the Turkish nationalists and the Greek army, the occupation of Batum, the position of the soviet regime in the Black sea territory was pointed to as stronger than it ever had been.

Staff Wiped Out  
The reports indicated that only a few members of General Wrangel's staff had managed to escape. The staff as a whole, it was said, had been virtually wiped out, its members either being killed or taken prisoner.

Propaganda behind General Wrangel's lines had much to do with the collapse on the front, according to information reaching here.

13,000 REFUGEES HAVE  
REACHED CONSTANTINOPLE  
Constantinople, Nov. 15.—Thirteen thousand refugees have arrived here from Sebastopol, but because of the lack of accommodations in the city, they are still aboard ship moored in the Bosphorus. It is understood 30,000 have been permitted to take passage from the Crimea city.

General Baron Wrangel is declared to be without hope, but he is remaining calm and directing the work of his army. The United States destroyer Fox arrived here today with a party of 50 American Red Cross workers who are engaged behind General Wrangel's lines. Hope is expressed that all the Red Cross personnel will have been removed from danger by tonight.

Remnants of General Wrangel's army have been embarked on Russian and French warships, and General Wrangel probably will leave on the French battleship Waldeck Rousseau.

The army of General Wrangel, an avowed leader, has been wiped out and a number of generals have committed suicide. A mob pillaged American Red Cross stores.

BRITISH NAVY REMAINS  
NEUTRAL IN BLACK SEA

London, Nov. 15.—As Great Britain has never recognized the Wrangel government in South Russia and is proceeding with negotiations aiming at the opening of trade relations with soviet Russia, the British navy will continue to observe strict neutrality in the Black sea, it was stated today. The admiralty denied reports from Constantinople that the British navy would assist in the blockade of Black sea ports. British ships have not been called upon to transport refugees from the Crimea.

U. S. "OBSERVERS" AT  
LEAGUE ASSEMBLY

(Continued from Page One.)  
asso Tittoni, of Italy; Leon Bourgeois and Fernand Viviani, of France. Vis Robert Cecil, former British assistant secretary of the League of Nations, and Baron Kishiro Matsui of Japan. Lord Quinones de Leon of Spain. South Africa was represented by Lord ant secretary of state for foreign affairs.

**Is Proponent of League.**  
Lord Robert was one of the leading proponents of the league during the Versailles peace conference, but was not selected by Premier Lloyd George as one of the British representatives. The action of the Union of South Africa in naming him to act in behalf of that British dominion was one of the most interesting developments of the work preliminary to the meeting of the assembly.

Most of the South and Central American republics have full delegations here.

**U. S. Has "Observers."**  
The United States was not represented officially, but throughout the session there will be present American "observers" who will keep Washington fully informed of developments. At a meeting of the council of the league yesterday, arrangements were made for the United States to have a representative on the financial commission, as well as the commissions on economic and mandarin should she so desire.

Election of a permanent president and several vice presidents and the appointment of a few committees was the first work to be disposed of by the assembly. It is believed the next 10 days will be devoted to discussions on the routine of the league, and during this time commissions will be laid before the assembly. It is believed adjournment will be taken for three or four weeks.

**To Discuss Disarmament.**  
A definite system of disarmament and a plan for using the economic blockade against nations that transgress the orders of the league will be among the principal subjects discussed. In addition, the plan for an international court which was framed at Brussels during last summer will receive attention. Japan is not expected to bring proposals on racial equality before the meeting, but she is expected to take a prominent part in the deliberations.

The result of the presidential election in the United States has been a topic of conversation among delegates, but there has been no indication that any effort has been made to get in touch with the Washington government. Austria and Turkey never before in history. It is believed, had the flags of so many nations flown together.

Only a few American flags were noted among the colors displayed. The Swiss national and Cantonal ensigns predominated in the decorations.

**Church Bells Ring**  
Opening of the first assembly at 11 o'clock this morning by the ringing of all the church bells in Geneva.

Just before that hour a procession of Swiss officials marched from the city hall to the ball of the information where the delegates were assembling. The parades marched through streets bedecked with the flags of virtually all nations except Germany, Austria and Turkey. Never before in history. It is believed, had the flags of so many nations flown together.

CITY HAS TOO MANY  
SHOWS AND DANCESAmusement and Low Ideals  
Hold High Carnival Here,  
Evangelist Believes.

Three large audiences greeted Evangelists Dow and Echols at the Methodist church yesterday. The church was crowded at the morning and evening services and a large number attended the mass meeting for men and boys at the afternoon service. At the afternoon service for men Dr. Dow deplored the lack of interest among the men of this city in the church and religious things.

"I am forced to believe," he said, "that either the churches of this city are filled with hypocrites, and the world outside knows it, or this is a godless place where shows and dances and low ideals hold high carnival."

The evangelists left this morning for Chicago to be gone for the day. They will return to the city Tuesday morning in time to hold a shop meeting at the Lewis Knitting company's plant. There will be no meeting tonight, but beginning with tomorrow night the meeting will run every night until the end of the month.

There will be no meeting tonight, but beginning with tomorrow night the meeting will run every night until the end of the month. The subject, "Hell, and How to Get There," Mr. Echols will sing "The Ninety and Nine."

Hear Josef Konecny, the Bohemian Violin Virtuoso, at the Presbyterian church next Wednesday evening Nov. 17.

# Janesville High Gets First Victory in Two Years

By George McManus.

## Blues Defeat Delavan Team Here 24 to 12

For the first time in two years, Janesville high school scored a victory on the gridiron when the Blues triumphed upon Delavan Institute for the first time Saturday to the music of 24 to 12. Dawson, right end, starred, scoring all 24 points for the local boys. Kelly's long end runs, ranging from 20 to 40 yards, placed the oval each time in scoring position. Before the largest crowd of the year, and a crowd that was bigger than any on the sidelines for a local high school football team in several seasons, the Janesville lads fought as never before to gain the laurels secured on by recent scores—also the first in seasons—the revamped eleven piled up points in each period but the last.

Krupp's Fine Leading. Although Delavan's outfit was somewhat crippled from recent games, the playing of the Blues was so superior to anything shown for a long time by a local high school team that assurance of the final result was seen from the first. Krupp's fine leading in handling the team was excellent except for overworking the forward pass in the final quarter. At times, however, luck also had lost the Blues three times within Delavan's 10-yard line.

Gridley was everywhere in the line during plays and stopping runs from the rear. Smith, although small for fullback, was there in tackling and led Kelly to the end zone.

The game was frequently marred by penalties. Delavan for holding and interfering and Delavan for holding and interfering. Delavan's weakness in the line, the kicker just getting over Janesville's center. On punt formation, they always lost the ball. Their star was Booker, fullback, who made both touchdowns.

Delavan made the first score. It was on a fake play in the first period that turned into a quarterback and run for 50 yards followed by an end run by Booker. Spears missed the kick. Delavan, 6; Janesville, 0. The Blues with pep they never had before, came back fighting. The kicker was received and a pass to Dawson was turned into a 40-yard run for touchdown. The goal was kicked and the score stood, Janesville 7; Delavan, 6.

Blues Score Again. Opening the second quarter, Delavan tried to piece Janesville's line on three plunges. Failing the punt, they sent the pigskin high in the air. Dawson returning, the Blues made 10 yards and the end; Newman five over center; Smith two in the same place; Smith one over guard; Kelly three around end; and Kelly's long end runs, ranging from 20 to 40 yards, kept the ball in the Blues' hands until a long pass to Dawson with an open field gave the locals a second touchdown. Dawson kicked goal. Score: Janesville, 14; Delavan, 6.

Delavan was penalized 15 yards for holding but made up by an end run by Spears for 10 yards, and one by Spears for five. Janesville was penalized for being outside. On Kelly's fourth drive with five yards to go, Newman made 15 yards on a fake punt formation but the gain was lost when Delavan was penalized for too much use of the clock. Newman turned over the ball. Newman's punt 25 yards and Kelly's long end runs, ranging from 20 to 40 yards, kept the ball in the Blues' hands until a long pass to Dawson with an open field gave the locals a second touchdown. Dawson kicked goal. Score: Janesville, 14; Delavan, 6.

Dawson's Pick Goal. Three points were added to the local score in the third quarter on a drop kick by Dawson from the 25 yard line. This was made possible when Crowley speared the ball in the air and made 10 yards on dodging; and on a penalty of 10 yards on Delavan for elbow work. Delavan came back when Crowley speared the ball in the air and made 10 yards on dodging; and on a penalty of 10 yards on Delavan for elbow work. Delavan came back when Crowley speared the ball in the air and made 10 yards on dodging; and on a penalty of 10 yards on Delavan for elbow work.

Lineup: Delavan: Deaf S. (12) J. H. S. (24) Hanson, 10; Crowley, 11; Sheridan, 12; Tervis, 13; Greenidge, 14; Leacock, 15; Thompson, 16; Gridley, 17; McLean, 18; Dawson, 19; Moon, 20; Kelly, 21; Smith, 22; Drews, 23; Newman, 24; Spears (Capt.), 25; Booker, 26; Thomsen, 27; Substitutions: Crapsen for Pallat; Seaman for Greenidge; McClusker for Newman; Lane for Kelly; Shurtz for Crapsen. Referee—Vic Hennings. Timer, W. C. Candy.

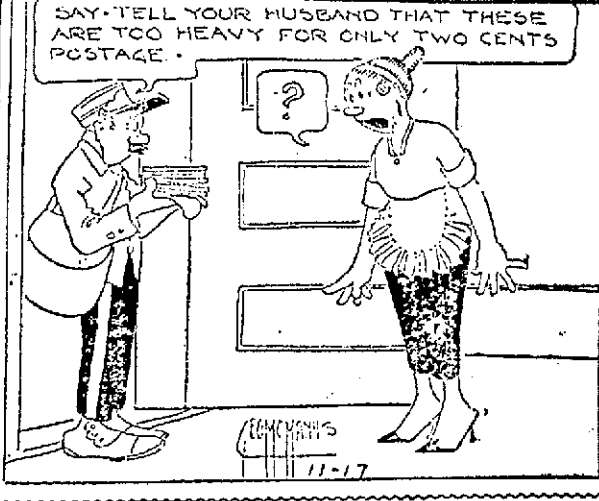

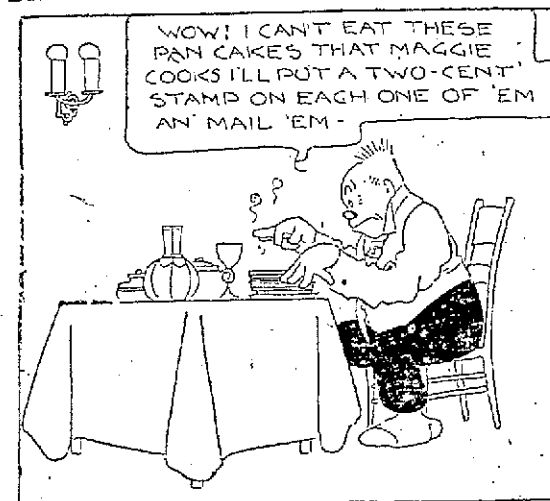

## CARP REACHES PARIS WITH WAD OF COIN

Paris, Nov. 15.—Georges Carpentier, heavyweight champion of Europe, returned from America richer by 1,000,000 francs greater respect for the fighting ability of Jack Dempsey, world titleholder. Carpentier was never boastful, before leaving France, when he had not yet seen Dempsey, said on his return that Dempsey was considered in America to be a "super fighter," but that he would meet him with as much confidence as he did the British fighters, Wells and Beckett, whom he knocked out.

"The newspapers," said Carpentier, "reported Dempsey as saying he would lead me to the slaughter like an ox. I don't believe it. I have met Dempsey, who is really a very unattractive gentleman. I even had one match with him which I won—but that was at golf. Dempsey's kind thought in sending me a wireless message when off Nantucket wishing us goodspeed, was very gentlemanly."

Belgian Billiard Champ Will Arrive Tomorrow. New York, Nov. 15.—Billiard enthusiasts took forward to the arrival here tomorrow of Edward Foreman, famous Belgian player, with unusual interest. Tentative plans are under way for a match between Foreman and Willie Hoppe. The latter has held the title for 15 years.

## BRINGING UP FATHER

## Right to Conference Title Will Be Muddled Affair; May Be Tie

Chicago, Nov. 15.—Ohio State now stands at the top of the western conference football eleven, but must defeat Illinois next Saturday in order to have an undisputed claim to the championship. A defeat at the hands of the Illini would leave the race in a scrambled condition, with possibly three teams claiming first honors. The present standings follow:

Team	Won	Lost
Ohio State	4	0
Illinois	4	1
Wisconsin	3	1
Indiana	2	1
Iowa	2	2
Chicago	2	2
Northwestern	2	2
Michigan	1	2
Purdue	0	2
Minnesota	0	2

Victory for Ohio State next Saturday would leave the Buckeyes the only undefeated team. A defeat, however, and victory for Wisconsin over Chicago would give Illinois Wisconsin and Ohio State a record of one defeat each and an equal claim to the championship on the comparative score, or "done" basis. Illinois, however, would possess one more victory than either of her competitors and consequently mathematically would possess the best record and probably would be conceded the championship. Under these conditions Illinois would have five victories and one defeat, with Ohio State and Wisconsin each having a mark of four and one.

Emergency stands are being erected for the game, which is expected to draw the biggest crowd in history. Wisconsin, after leading Illinois, is looked on as a favorite in its game with Chicago on Saturday, and Michigan is considered better than Minnesota, which has lost five straight games. Indiana and Purdue furnish the other conference game. Northwestern going outside the conference to play Notre Dame.

## ALL-STARS BEAT TANKS, 52 TO 8

Janesville All-Stars launched an aerial attack upon the local tank corps Saturday night on the basketball court. A despite all that the Japs and lumbering war machine could do, the game ended 52 to 8 in the Stars' favor. A good-sized crowd saw the battle, indicating that the indoor game still rules as the main winter sport.

Rough methods, attested by the tanks in the final period of the contest were futile, only aggravating the All-Stars to greater scoring efforts. The floor was slippery.

Hager Is Star. The combination of Hager, Fullman and Dick worked. Ted Hager, this year's high school captain, has been in good shape already, making 16 field goals and two free throws for a total of 34 points. Fullman made five baskets and Dick four.

Quarters of 10 minutes each were played. The tanks made six of their points in the final period, were held scoreless in the second and fourth, and made two counters in the third quarter. Despite the greater weight of the guardsmen and their longer practice this season, the Stars won on experience smoking out the soldiers by their speed.

A series of five games will be played between the two teams three out of five deciding. The next one will be next Saturday. The Stars are looking for all corners and especially outside high school teams. Get in touch with Captain Graesslin at the

Bloomington, Ill., Nov. 15.—A treasury surplus of \$12,000 is shown for the Bloomington Fans' association, as read at the annual meeting here this week. Perhaps never in the history of the Three-I League has any club been able to report a balance as large after all bills were paid. With most clubs it has been a commendable feat to break even.

St. Paul, Minn.—Dan Griner and James Browne, pitchers with the St. Paul American Association baseball club, have been sold to Memphis of the Southern Association and Johnson were the pointmakers it was announced here today.

There's always room at the top for Highest Possible Quality at Lowest Possible Price

What Do We Mean "Room at the Top"?

We put Spurs on the market with our eyes open. We knew "There was Room at the Top" for highest possible quality at lowest possible price—and we said so in print.

And now Spurs are perched at the top—but we didn't put them there. Smokers did it themselves. You can't keep a good thing down—and it didn't take smokers long to discover that Spur had something they wanted.

What was it? Just that good old tobacco taste—that quality of bygone days. Spur's blend is choicest Turkish, fine Burley and other home-grown tobaccos—and it's some blend.

Now—how about smoking a top-notch cigarette?

LIGGETT & MYERS TOBACCO CO.

Set this down, too! Spurs are crimped—not pasted. You'll see it in the seam of every Spur. You'll find it means better taste, easier drawing, slower burning.

## Badgers Changed Shoes to Change Football Fortune

Madison, Wis., Nov. 15.—Employing headwork on the fact they have had something to do with Wisconsin's sudden reversal of form against Illinois—a reversal that has brought victory after the Badgers had been hopelessly outplayed in the first half. When the game started the field was soft and slippery, a heavy blanket of hay having been removed shortly before. Before the half had ended the field had frozen. The Badgers had started the game wearing shoes with cleats for a soft going. Between halves they changed brogans, coming out with cleats adapted to fast going. It was a different team.
